May 20, 2015

Parker Pop Warner Football & Cheer is gearing for the 2015 Panther's Season. We would like to invite you to be a sponsor, helping a positive and rewarding program. This is a proposition in which your buck produces BANG! If you could help promote fitness to the youth in our community...If you could help provide a nationally endorsed athletic program in our community...If you could encourage citizenship and integrity into the youth of our community...If you could help provide tutoring to students that need extra help...If you could do something that could create lifelong memories for more than 100 kids in Parker...would you be willing to donate a few dollars?

Pop Warner is a national program that introduces children aged 5 thru junior high to football and cheerleading. Divisions are created by taking both age and weight into consideration for safety. Each football division is encouraged by a cheerleading squad that parallels the age and ability of the football team. Parker normally fields 4 football teams and 2 cheerleading squads; averaging 24-28 players per team and 4-6 per squad. Coaches hold the athletes to the highest standards of character and integrity. The Conference holds the athletes responsible for academics and citizenship; Parker provides a tutor available to be on the field each practice night helping athletes achieve. The parents are responsible to pay a registration fee and encourage each athlete by being at practice on time and prepared and at each game. The athletes are responsible to work their hardest to be a healthy and productive member of the family, the team, the school, and the community.

Parker is a member of the Colorado River Conference; playing teams in Kingman, Bullhead City, River Valley, Lake Havasu City, Peach Springs, and Blythe. There are no paid positions. All members of the Board, Coaches, and every individual that it takes to create a successful season volunteer time. The financial burden of equipping and providing this sport in Parker is substantial.

You are a part of such a great community. Being a generous and committed sponsor to the many different needs of the Parker Community is what makes this community great! We are asking that you consider making a donation to upcoming season. Parker Pop Warner Football & Cheer is an Arizona Corporation and is a 501(C) (3) organization allowing your sponsorship to be tax deductible.

Once again, thank you for helping to provide a quality program that is nationally endorsed in our Community for our Children. Your willingness to encourage and support the youth of the Parker Community is expressed in your donation. Please contact any of the above listed individuals for information or monies can be picked-up or mailed to PO Box 1866 Parker, Arizona. A return receipt will be provided.

Sincerely,

Meghan Romanek
